

DRINKS MENU

kong_x

This summer Glasgow meets the effortless elegance of the French Riviera.

In collaboration with St-Germain, we invite you to experience Kong transformed; a space inspired by long lunches in the South of France, golden hour cocktails, and late nights above the city skyline.

Perched high above Glasgow, our Roof Garden offers a setting designed for slow afternoons, sunset spritzes, and unforgettable evenings. Paired with the delicate floral character of St-Germain, every drink captures a sense of occasion - light, vibrant and unmistakably sophisticated.

Inspired by the timeless glamour of Parisian café culture and the relaxed luxury of the Riviera, this collaboration brings together rooftop views, refined cocktails, and the atmosphere of a European summer escape, without ever leaving the city.

From sun-soaked afternoons to sparkling evenings beneath the stars, the sounds of clinking glasses, laughter and our DJ's soundtracking every moment.

Welcome to summer at Kong!

Don't See Your Favourite Tipple?

We have a large selection of spirits & liqueurs behind the bar or ask to see our full bottle menu.

The background of the entire page is a solid light green color. Overlaid on this is a repeating pattern of vertical lines and arches. Each arch is formed by three concentric, rounded rectangular outlines. These arches are arranged in a staggered, brick-like pattern across the page. The lines are a slightly lighter shade of green than the background.
